

## **Summary of Private Land Remote-Sensing Space System License**

As required under 15 C.F.R. § 960.5(b), AIRBUS US Space & Defense, Inc. (Airbus US) hereby provides the following summary of the private land remote-sensing space system license that the National Oceanic and Atmospheric Administration's National Environmental Satellite, Data and Information Service (NESDIS) issued to AIRBUS US, on April 01, 2020:

**(1) The name, mailing address and telephone number of the licensee:**

AIRBUS U.S. Space & Defense, Inc.  
2550 Wasser Terrace, Suite 3000  
Herndon, Virginia 20171  
(703) 466-5879

**(2) A general description of the system, its orbit(s) and the type of data to be acquired:**

The relevant NESDIS license authorizes Airbus US to operate private electro-optical earth imaging satellites, over which Airbus US will maintain full operational control. The constellation is called NEOInt 1 & 2. The constellation will be in a sun-synchronous orbit and operate at 621 kilometers altitude.

**(3) The name and address upon whom inquiries may be made:** Ms. Rebecca Bauley,  
Director of Marketing and Communications. Email, [bauley@airbus-na.com](mailto:bauley@airbus-na.com).
